

Dr Ramy Rahmé, MD, MSc

Born on February 18, 1987 in Ainata, Lebanon
French and Lebanese citizen
Tel: +33 6 18 65 67 10
Email: ramy.rahme@gmail.com // ramy.rahme@aphp.fr
French Medical Board Registration number: 93/86486
RPPS number: 10101182177

PROFESSIONAL EXPERIENCE

July 2022 (ongoing):

Hospital practitioner, Clinical Hematology Department, Avicenne University Hospital, Bobigny
Assistance Publique – Hôpitaux de Paris, Sorbonne Paris Nord University
Head of the department: Professor Claude GARDIN

November 2019 – June 2023:

Associate Researcher, James Manfredi's Lab
Study of Missense Mutant P53 Activities in the Murine Hematopoietic System and Leukaemic Cells
Department of Oncological Sciences, Icahn School of Medicine, Mount Sinai, New York

November 2017 – October 2019:

Post-doctoral Fellowship, Assistant Professor (Chef de Clinique des Universités-Assistant des Hôpitaux)
Clinical Hematology Department, Saint Louis University Hospital, Paris
Assistance Publique – Hôpitaux de Paris, Paris Cité University
Head of the department: Professor Pierre FENAUX

DEGREES

2017: Doctor of Medicine (MD) degree in Hematology with honours

Faculty of Medicine, René Descartes/Paris V University, Paris

Thesis: Early death in acute promyelocytic leukemia in French centers: a multicenter study in 399 patients

2016: Master of Science (MSc) in Molecular Biology of Hematopoiesis

Master's thesis: Impact of FLT3-ITD Mutation on Response to Retinoic Acid and/or Arsenic Treatments in an Acute Promyelocytic Leukemia Mouse Model

Professor Hugues de Thé Lab, CNRS UMR 7212, INSERM U944

Paris Diderot/Paris VII University, Paris

EDUCATION

2019 – 2023 (ongoing): PhD Candidate in Cancer Biology

Thesis: Study of Missense Mutant P53 Activities in the Murine Hematopoietic System and Leukaemic Cells

Graduate School Hématologie – Oncogénèse – Biothérapies (H.O.B.), University of Paris

Laboratoire Hématopoïèse normale et pathologique (UMR-S 1131)

Department of Oncological Sciences, Icahn School of Medicine, Mount Sinai, New York

2011 – 2017: Residency in Clinical Hematology

Faculty of Medicine, René Descartes/Paris V University, Paris

Rotations in Clinical Hematology (Pr H. Dombret, Pr P. Fenaux, Pr C. Cordonnier, Pr JP. Ferman), Intensive Care Medicine (Pr B. Guidet, Dr F. Blot), Infectious diseases (Pr PM. Girard), Hematology Lab (Pr O. Wagner-Ballon) and Histopathology Lab (Pr JF. Flejou)

SCIENTIFIC PUBLICATIONS

Articles: 15 (as of March 2023, number of citations = 653; h-index = 10; i10-index = 11)

Book Chapters: 3

Reviews: 3
